

INDIANOLA ATHLETIC BOOSTER CLUB

2015 - 2016

The Indianola Athletic Booster Club (IABC) was established in 1974 to subsidize the athletic department and our athletic programs, and has provided facility improvements and services to our fans.

IABC has provided concession stands, press boxes & restrooms, and ALL money raised goes to support our athletic programs at Indianola High School & Middle School.

Last year they helped in purchasing items including football helmets, boards & racks, pads, wrestling sweats & recondition/repairs to mats, volleyballs & carts, golf range balls & bags, basketballs, swim clock, fins, & caps, tennis balls, cross country equipment, HD cameras, indoor soccer goals, equipment, & uniforms, baseballs, softballs & uniforms, indoor pitching mounds, batting tees, & HUDL coaching tools.

Annually, they help pay for an athletic trainer, weight room equipment, training room equipment & supplies and athletic awards. They award book money for graduating seniors, provide a school activities calendar to all students in the district, purchase programs for home athletic events, and support clubs who wish to work concessions. Annually, they operate the concession stands at home athletic events, and have hosted basketball tournaments since 1990 to raise money for these programs.

Please join us in supporting Indianola athletics. Your membership benefits all athletes!!
